Hi Michelle,

Happy New Year to you!

Please contact your Kansas City Project Manager about this. The PM will know how to handle this and if NY is needed, they will arrange it. A new IA is not necessary.

Subject: Pohatcong OU3 - RD OS IAG

Hi, Kelley-

Happy New Year! Hope all is well with you!

I just wanted to check in with you about IAG for Pohatcong OU3 RD OS. I think the PRP is ready to go in the field in the end of February which is soon. I've been dealing with USACE in Kansas for the review of the RDWP so far, but we need RD OS for the fieldwork coming up. Do we have someone assigned for that? If so, I'm assuming it is someone in NY? Or, do I have to do another IAG?

Thank you!

Michelle-
